& EACH MEMBER OF KILKENNY COUNTY COUNCIL**

RE: Piltown, Co. Kilkenny - Proposed Refurbishment

DATE: 14th May 2019

Please find attached copy of location map showing extent of proposed scheme to include traffic calming and streetscape improvements for Piltown, Co. Kilkenny. Proposed works include but are not limited to:

- Pavement reconstruction works on the Main Street and a section of the R698.
- Standardisation of carriageway width to 6.0m through the village.
- Traffic Calming and traffic management measures. (Driver feedback signage has already been provided)
- Provision of defined parking.
- Junction Improvements.
- Footpath improvements, including construction of new footpaths providing continuity for pedestrians.
- Parking and drop-off alterations outside Schools and Enterprise Centre.
- Surface water drainage improvement works.
- Landscaping.

Members are advised that it is intended to proceed to Part VIII in respect of the proposed works in the coming month.
