**1) Confirmation of Minutes**

**(a) Minutes of the Municipal District meeting of Wednesday 14<sup>th</sup> December, 2022.**

The minutes of the December meeting of the Municipal District held on Wednesday 14<sup>th</sup> December 2022 were adopted, proposed by Clr Deirdre Cullen and seconded by Clr Michael Doyle.

**2) Consideration of Reports and Recommendations**

**(a) Monthly Roads Update (Declan Murphy)**

Mr D. Murphy, Area Engineer, updated the members on the following roads related matters, outlining updates and timelines of various projects since his previous report of 14<sup>th</sup> December, 2022.

- Road Works Programme 2023 – Mr Murphy said Departmental budgets are expected to be available around end of January.  
A draft list of discretionary works and Restoration Maintenance projects will be presented to the Elected Members for consideration, Restoration Improvement works will proceed in line with the agreed 2022-2024 Multi Annual Programme. Low Cost Safety Schemes to be determined by the Department, CIS and LIS project works to be determined from existing list of current applications.  
Climate Action Projects will derive from works already submitted for Departmental approval, Active Travel Projects will be those as budget approved by NTA;
- Low Cost Safety Works update – works continuing R701 Newmarket, lighting works expected to be completed early February with ramps following once lights connected;
- Active Travel – Bridge Street Callan expected to be tender ready in February, footpaths currently being prepped on Flaggy Lane;
- N10 Danesfort – Hot roll asphalt surfacing works require more favourable weather conditions so works scheduled for March;
- N76 by-pass and ring road footpaths – at design stage, on track for tendering with commencement of works envisaged later in 2023.

The members thanked Mr. Murphy for his update and raised the following items:

- Agreed to carry out traffic count of heavy goods vehicles on the old Ennisnag bridge where conservations works are now complete;
- Potential for traffic calming southbound after bridge in Thomastown;
- Any possible additional funding avenues from Department to remedy effects in areas of repeated flooding – works are funded under Climate Action and drainage grants, 2023 funding will be announced around end of January.
